Richfield Arterials Complete Streets Study Report Card

For more information, call:
Tom Foley, Richfield Transportation Engineer
6700 Portland Avenue
Richfield, MN 55423
Voice: 612-861-9791
FAX: 612-861-9796

Please rate the performance of the various modes of transportation on the following four arterial streets in the city of Richfield; Penn, Lyndale, Nicollet, Portland. Use one of the following grades for each of the four modes of transportation:

A = Avenue exceeds expectations (no changes needed)

B = Avenue is above average (a few changes may be needed)

C = Avenue is average (some changes needed)

D = Avenue is inadequate (several changes needed)

F = Avenue is unacceptable (safety is a major concern)

Richfield Arterial Roadway (circle appropriate roadway)	**Mode of Transportation**	**Grade** (circle one)
Penn Avenue	Pedestrian:	A B C D F
Lyndale Avenue	Vehicular:	A B C D F
Nicollet Avenue	Bicycle:	A B C D F
Portland Avenue	Public Transit:	A B C D F
