1. Circle the arterial you would like to evaluate. You may fill out a Comment Card for each individual street or you can choose the "apply to all arterials" option if you wish.

Penn **Lyndale** **Nicollet** **Portland** **apply to all arterials**

2. Circle the type of roadway section you would like to see implemented:

Four Lane Roadway (similar to existing conditions) OR **Three Lane Roadway**

Note: if you circled the "Three Lane Roadway" please rank the following three functions in order of importance (1= most important, 2= next most important, 3= least important of the three functions).

___ Bicycle lanes

___ Boulevards

___ Parking
