

RICHFIELD'S SNOW REMOVAL NOTICE

Richfield's snowplow crews try to clear the streets as quickly as possible after a snowfall so that driving is safer and easier for everyone. The City also needs your cooperation to be able to plow streets quickly and efficiently. A 1996 change in the **City Snow Removal Ordinance (City Code 1305.13 Amended Bill No 1996-20)** prohibits parking of vehicles on City streets after snowfall of two inches (2") or more. **Parking is prohibited until the streets have been plowed from curb to curb.** Vehicles in violation of the ordinance are subject to being ticketed and towed immediately. Please speak with neighbors, landlords or friends to make arrangements for off-street parking during and following snowfalls of two inches (2") or more. This ordinance is in effect **November 1st** through **April 15th** of each year.

Call 612-861-9178 for recorded information or call Public Works at 612-861-9170 or Public Safety at 612-861-9800 if you have questions or comments regarding this policy.

A REMINDER TO RICHFIELD RESIDENTS AND PROPERTY OWNERS:

In accordance with Richfield City Code 601.09, Subd. 7: It is illegal to place your trash cart or recycle materials in the street, alley or on the sidewalk. The cars interfere with plowing, sweeping and other maintenance and they are a hazard to pedestrians and traffic. Please keep your trash carts behind the curb and off the sidewalk. Your cooperation is appreciated.

Call Public Works at 612-861-9170 if you have any questions or comments.
