

SEVERE WEATHER AWARENESS CLASS **Thursday, April 15 from 6 to 8 p.m.**

The Richfield Department of Public Safety and Hennepin County Emergency Management are conducting a **Free** class on Severe Weather Awareness.

Keep yourself and your loved ones safe during storm season! Learn about the causes of severe weather, what exactly triggers the tornado sirens (and why) and what the national weather service can and cannot see on radar. The class will also cover safety and the importance of NOAA Weather Radios and the Skywarn™ storm-spotter program.

This class is intended to educate the public on the severe weather that occurs here in Hennepin County. Instructor Dan Bovitz is the Deputy Director for Hennepin County Emergency Preparedness and is teaching the class.

The class is scheduled from 6:00 PM to 8:00 PM on Thursday, April 15, 2010 in the Council Chambers at Richfield City Hall, 6700 Portland Avenue South.

For more information and to register, please contact Richfield Police Lieutenant and Emergency Management Coordinator Jay Henthorne at 612-861-9828.
