SUMMARY
Cash Escrow Program

1. A “cash escrow agreement” will be required in those instances where a Certificate of Compliance is sought, and the Seller will not complete repairs by the time of closing. 5. If Electrical or mechanical certifications are required, no one shall occupy premises until certifications are completed and proper paperwork is submitted to City of Richfield Inspection Division.
6. PURCHASERS: Are signing to purchase the property and have petitioned the City to allow occupancy of the property despite the existence of the violations set forth on the attached list.
