

## Richfield Friendship City Commission

June 16, 2011

The meeting was called to order at 7pm by Chair Roger Swanson. In attendance were Roger Swanson, Dave Delzer, Cynthia Mandl, Andrew Berg, and Molly Olson. Craig Osten had an excused absence.

The minutes of May 19<sup>th</sup> were approved. The treasurer's report stayed the same at \$4,220.30.

Roger will look into the status of the garden where the new sculpture may be located. There is no other news about the sculpture or plaque. The city will tell us which display case is ours and when we will be able to have access to it.

Commission member Christine Kargel has been removed from the commission roster at her request.

The Friendship City Commission is looking to hold an open house during the city municipal building dedication or on the 15<sup>th</sup> of September. A delegation from Costa Rica may come for the re-dedication of the Heredia Park behind the city building. Depending on dates we may also take part in Cattail Days.

Molly will look for a Spanish version of the Americans with Disabilities Act. Andrew will look into the paperwork for the defibulator and Cynthia will find out what model would work best.

It is agreed that we will start using the facebook group more. We will upload photographs from the recent trip. We may also find links to other news stories.

The next meeting will be July 21<sup>st</sup>.

Respectfully Submitted,

Molly Olson
