Approve April Minutes	Kevin Klos	Motion to approve minutes	Approved
Report from City Liaison	MaryKaye Champa	MaryKaye introduced the RAC to the new farmers market coordinators Mary and Tim. We let them know about our summer open house events. MaryKaye reported to us on the dance recital fundraiser. Jackie and Ellen sold flowers to 19 families for a profit of \$32. The general feeling was this was a great fundraising opportunity and we would like to do it again next year.	
Summer Art Center Programming – June 12	Judy Goebel	Pete was confident that we will have musicians available for the event. He will make some calls. Mayor Goettel suggested we get in contact with Scott Mathison, a local piano teacher for one of the event dates. One activity will be Bob's button maker. MaryKaye can get markers, crayons and paper for the button maker. Debra suggested using a lightweight fabric. Kevin will check his art director samples and bring in anything that could be used to cut out for buttons. MaryKaye will print out some RAC logos for the button maker. We discussed having some art work on display for the event. Willie will get a hold of MaryKaye to get some work on display before the date. Ron will bring some paintings to display. Mayor Goettel will announce the event date at the next city council meeting and get the event on the city calendar. Willie will bring a sandwich board sign to have outside the Arts Center, and MaryKaye reserved the sign on Portland. Volunteering for the June event will be: Ron, Willie, Ellen, Mayor Goettel, Judy, MaryKaye, Jackie and Bob.	Pete will find musicians for the event. MaryKaye, Debra and Kevin will get supplies for the button maker. Ron and Willie will get in contact with MaryKaye about bringing work to display. Mayor Goettel will get our event dates on the city calendar.
Summer Art Center Programming – July 10	Judy Goebel	We decided to have mural painting as an activity for the July date. Willie can bring the panels. He will call MaryKaye and she will drop them off at the Arts Center. MaryKaye found out that we can not have a RAC truck parked outside the Arts Center during the farmers market. MaryKaye can meet people the day before to get anything inside the Arts Center we need, so no one has to carry anything from their car the day of.	
Summer Art Center Programming – August 14	Judy Goebel	We decided to have demos and a RAC Arts show for the August event. Ron and Deborah volunteered to do demos. Kevin suggested having all available class information out during the demos. Willie suggested having a "Pottery Lottery" during the event.	
Cattail Days	Judy Goebel	The date is confirmed for September 18 th . We discussed as a group participating in the event and decided yes we will participate, but only from the Arts Center (not renting booth space).	
October 9 Open	Judy	Mayor Goettel suggested doing a kids activity, such as painting	.

House	Goebel	small pumpkins. She volunteered to contact Bachmans/other garden stores closer to the event date to see if they would be willing to donate small pumpkins. We talked about promoting the Teen Art show during this event. MaryKaye will get this event date reserved/confirmed.	
4 th of July	Judy Goebel	MaryKaye found out that it costs \$35 to be in parade, plus proof of insurance if we were to drive. MaryKaye can get an application if we want, but after weighing our options we decided to not do the 4 th of July parade and focus our efforts on the open house dates.	
Adjourn		The meeting was adjourned at 8:05 PM.	

Respectfully Submitted,
Kevin Klos, Secretary of the RAC
