<u>Agenda Item</u>	<u>Presenter</u>	<u>Discussion</u>	<u>Action, if any</u>
Approve April Minutes	Kevin Klos	Motion to approve minutes	Approved
Report from City Liaison	MaryKaye Champa	Nancy Rector was the featured Artist in the community center for April. Her opening went well and she donated a painting to Woodlake Nature Center Fowl Ball fundraiser to be sold in the silent auction. Ron has artists booked for May and June, and is open after that. Willie suggested having a show in July of his students.	
Sculpture Tour Guide	Judy Goebel	We were unsure of copyright violations from the last meeting. MK was in contact with the city attorney and reported that we needed Bob Teslow's permission to use his photos of the sculptures on the map, and then we were covered legally. Deborah was in contact with a lawyer who suggested we get permission from the sculpture artists and the owners of the property the sculpture sits on as well. Bob came in and gave us his permission. Deborah gave MK a legal form for the city attorney to send out for permission. Kevin designed two concepts for the guide. We voted on which concept to use moving forward. Kevin will add/drop photos depending on permission. Once we know how many permission slips come back for the sculptures, we may include other city art (murals) in as well.	MK will give the city attorney the permission forms.
May Open House	Judy Goebel	Willie will bring construction paper, straws, potters wheel and pottery lottery. MK will bring shapes.	
Adjourn		The meeting was adjourned at 8:35 PM.	

Respectfully Submitted,
Kevin Klos, Secretary of the RAC
